# Northern Kane County

CHAMBER OF COMMERCE

NKCC, Northern Kane County Chamber of Commerce, is a regional chamber serving the communities of Carpentersville, East Dundee, Gilberts, Sleepy Hollow, and West Dundee. Having worked for the chamber for the past 17 years, I have witnessed the business landscape change significantly. Online shopping, social media engagement, other web-based interactions, have deprived us of the personal relationships and dedicated attention that used to accompany our business transactions. During these changes, chambers have struggled to find relevance: competing with busy schedules and a myriad of other networking opportunities and choices. Some question whether chambers are relevant or necessary today. Here is my answer.

Chambers offer the business community a place to come together and share ideas, make new connections, and expand their contact base. Networking opportunities are offered in a multitude of formats and at a variety of times to suit varying schedules. In addition, chambers offer educational seminars and professional development on relevant topics such as marketing, finance, social media, and tools to help the small business owner with limited resources succeed.

In addition to educational and networking opportunities, chambers offer access and advocacy with local government. The NKCC works closely with Carpentersville, East Dundee, Gilberts, Sleepy Hollow, and West Dundee through community events and other local initiatives to promote shopping local businesses.

This year marks a remarkable period of growth for our community. The chamber has been a proud participant in more than 50 ribbon-cutting ceremonies this year. We are witnessing the continuous opening of businesses and reinvestment in our community. The chamber remains dedicated to diligently promoting local businesses and supporting initiatives that encourage residents to reinvest their hard-earned money in their community.

When you choose to shop locally, you contribute to the support of police, fire services, schools, and various other resources that enhance your quality of life. This support enables activities and fosters a vibrant community for everyone to be a part of.

Sincerely,

*Melissa Hernandez*

West Dundee offers small-town charm and regional convenience. The community's rich heritage is showcased in the historic downtown business district which offers a variety of dining, shopping, and entertainment adjacent to the peaceful Fox River.

As the physical and symbolic heart of the community, historic downtown West Dundee has seen significant investment in building stock with multiple authentic restorations and the new businesses that followed.

The district's burgeoning dining scene is anchored by Emmett's Brewing Co. and The Village Squire. Joining these mainstays are Bleuroot, Bamboozels, Elder & Oat café, and Woodfire. This culinary collection offers something for everyone – microbrews, American fare, farm-to-table creations, scratch-made backed goods, and authentic Roman cuisine, all within a comfortable block's walk. Beyond downtown, Maple & Hash and The Assembly have joined the Route 31 and Spring Hill corridors to offer new dining opportunities.

Entertainment in the downtown district comes to life at Rookies Rochaus, an intimate concert experience that attracts national acts to this restored, state-of-the-art facility which originally served as a venue for vaudeville.

Specialty stores are again starting to take

center stage in the district, with mainstay Around the Corner Candy joined by home-centric retailers Boxwood Home Design & Cabinetry, Lady Bug Lane, and The Half Full Nest Vintage Market. The district features numerous professional services, and the opportunity to pamper oneself at Spa Bleu and Shine Salon.

Needing a break from the pace of the day? Tranquility can be found along the Riverwalk, which was recently extended south of Main Street. This picturesque setting allows one to sit, stroll, fish, or access the water for canoeing or kayaking. One can even spend the night in the heart of downtown at 124 Lofts or Kildahl House, which offer short term accommodations akin to the trendiest urban neighborhood.

New multi-family residential development has brought additional housing choice to West Dundee, with luxury apartments at The Reserve at Randall Road and The 1900 at Canterfield, independent senior-living apartments at Spring Hill Senior Residences, and assisted living and memory care at the Woodlands at Canterfield. Developer interest remains strong, with multiple sites within the village being explored for residential development.

With convenient access from I-90 and the Randall Road corridor, the Oakview Corporate Park is home to Canlan Sports and various U.S. headquarters of international companies including UK-based Renishaw and Germany-based Helukabel and Oelheld. Near I-90 and Route 31, Canterfield Corporate Campus is taking shape, with Reyes Coca Cola Bottling, the 7th largest privately held company in the US, the first to open its doors for business.

Access to colleges and universities, quaint residential neighborhoods, and the availability of high-quality medical facilities provide West Dundee residents and businesses amenities and services that promote a well-trained work force and high quality of life.

Celebrating its strong sense of community, West Dundee comes together through its annual events including Concerts in the Park during the months of June and July, the Intelligentsia Cup - a professional cycling race in July, Heritage Fest - a large three-day outdoor festival in mid-September, and Dickens in Dundee - a Victorian-themed kick-off to the holiday season that takes place the first weekend in December.

# VILLAGE OF SLEEPY HOLLOW

Nestled within Dundee Township, the Village of Sleepy Hollow stands as a charming hamlet, its history dating back to its establishment in 1958. This idyllic residential community, home to fewer than 3,400 residents, is a departure from the bustling business and industry found in its Fox River Valley neighbors. Sleepy Hollow's appeal lies in its rural tranquility, offering respite from the clamor, traffic, and urban pressures.

The citizens of Sleepy Hollow hold deep affection for their close-knit family community. Guided by a dedicated

president and board of trustees, the village remains resolute in preserving its rustic small-town ambiance while embracing the promise of the future. This community honors its history even as it progresses into the next century.

Floyd Falese, Sleepy Hollow's inaugural village president and the visionary behind its unique character, enlisted the expertise of landscape artist and renowned planner Raymond W. Hazekamp. Together, they conceived a village with meandering roads, absent of curbs and sidewalks, leading to cul-de-sacs and homes nestled on generous half-acre lots. Hazekamp aptly coined this design "the Sleepy Hollow concept of good living," and remarkably, not a single tree was felled in the process.

**E**stablished in 1835, Dundee Township is one of the oldest governments in the Fox River Valley. Its six square miles include the vibrant river towns of Carpentersville, East Dundee, West Dundee, Sleepy Hollow, and parts of Algonquin, Elgin, and Gilberts.

The Dundee Township Supervisor's Office acts on a long tradition of neighbors

helping neighbors by offering essential services to residents in need. For more information on assistance programs such as Ride in Kane and General Assistance, visit [www.dundeetownship.org](http://www.dundeetownship.org).

In addition, the Supervisor's Office operates two public cemeteries. The historic West Cemetery is located on Route 31 in West Dundee. The East Cemetery on Route 25 in East Dundee features a Columbaria Garden, which provides a tranquil, natural setting for the inurnment of cremated remains.

The township also manages eight open space recreation areas where a loyal following of volunteers are working with staff to ecologically restore more than 1,000 acres. These rich habitats offer trail systems to allow hikers, birders, and horseback riders to exist harmoniously with wildlife. A steady stream of people can be found visiting Raceway Woods, Snuffy's Prairie, Dixie Briggs Fromm Illinois

State Nature Preserve, Jelke Creek Bird Sanctuary, Library Springs, Salamander Springs, and Wahoo Woods – a nature play park.

The Assessor's Office maintains residential, commercial, and industrial property assessments and record systems. They also assist with homestead and senior exemptions, senior tax freeze documentation, real estate tax complaints, circuit breaker assistance, voter registration, and free notary services to residents.

The Highway Commissioner and crew offers the following services to residents on township roads: snow removal, road repair and maintenance, brush trimming along right-of-ways, maintenance of township highway property, and flood control.

## HALLOWEEN IN THE HOLLOW

October

There aren't many events where you get to see the famed "Headless Horseman" from Washington Irving's classic tale, "The Legend of Sleepy Hollow". But ever since the early 1970s, Sleepy Hollow has taken its name to heart once a year for a big Halloween event at Sabatino Park. The build-up for this event starts a month in advance when the Village opens up the park so that residents can pile up their branches and other yard waste into a huge pile (which becomes a bonfire at the fest). The evening's festivities, which start at 3 p.m. with a chili contest, include food sales, a costume parade and contest, pumpkin carving, and hayrides. The day culminates with the lighting of the huge bonfire at 6 p.m. and the appearance of the "headless horseman" riding in on a majestic horse, to the delight of the large crowd. The fest is sponsored by the Sleepy Hollow Service Club of Illinois. For more information, visit [www.shsc-il.org](http://www.shsc-il.org).

## GILBERTS FALL BONFIRE

October

Gilberts Annual Bonfire is always scheduled for the third Saturday of October, and it will take place in the afternoon, running from 3:30 to 5:30 at Memorial Park. Along with gathering around the fire to stay warm, you can enjoy entertainment, including music and games. Keeping with tradition, there will be horse-drawn wagon rides around the pond, and pumpkins will be available for decorating. Snacks and juice will also be provided for your enjoyment.

## DICKENS IN DUNDEE

First full weekend of December

In the spirit of Charles Dickens' classic "A Christmas Carol," the historic downtown areas of East and West Dundee burst into life during the initial week of December, hosting a charming Victorian Christmas celebration. Friday evening festivities include enchanting tree lighting ceremonies, steaming cups of cocoa, and a delightful opportunity to meet Santa Claus. Furthermore, storefronts along Main and River Streets will be brought to life with live depictions of heartwarming Christmas scenes.

## WINTERVILLE

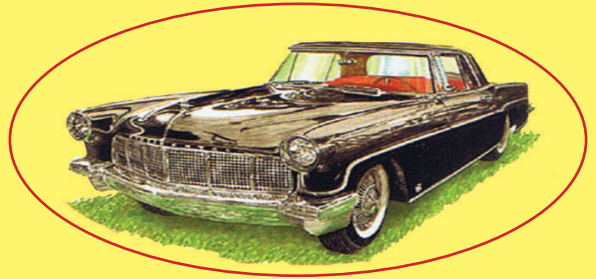

Join us at Winterville from 4:30 to 6:30 p.m. at Triangle Park in Old Town Carpentersville. Enjoy a photo opportunity with Santa, festive carolers, and warm treats like hot chocolate and donuts. It's a delightful way to kick off the Carpentersville holiday lighting event.

## RIVERSIDE PARADE OF LIGHTS

The "Riverside Parade of Lights" kicks off on Saturday at 6:30 p.m. and showcases the participation of various community organizations and talented performance groups. Of course, no Christmas parade would be complete without the appearance of Santa Claus himself. It's a perfect opportunity to make a weekend of it and savor a diverse range of activities suitable for all age groups. For a comprehensive schedule of events, please visit [www.dickensindundee.org](http://www.dickensindundee.org) or explore the "things to do" section on [eastdundee.net](http://eastdundee.net)!

The Fox River Valley Public Library District (FRVPLD) serves a large, diverse group of communities. The district is comprised of the 70,000 residents who live in East Dundee, West Dundee, Carpentersville, Sleepy Hollow, Gilberts, and parts of Algonquin, Elgin, and Barrington Hills. FRVPLD is the seventh largest out of 340 library districts in Illinois. Library service is provided at the Dundee Library in East Dundee, the Randall Oaks Library in West Dundee, and by a Home Delivery Service. Their history dates back to 1876, when Dundee Township established a tax-supported library, among the first in Illinois.

FRVPLD's vision is to provide equal opportunity for all to learn, explore, imagine, create, and connect in a welcoming environment.

A vibrant Youth Services Department offers programs designed to help children develop the skills they need to be life-long learners. With storytimes, book clubs, 3D printing, STEM and Maker programs, gaming and crafting, the library provides learning experiences in an array of interests.

Teens expand their knowledge and interests with a collection developed just for them, supported by collaborative programs where they can share their creativity. Virtual reality gaming, craft labs, standardized test practice sessions, and clubs provide opportunities for teens to gather and explore new ideas. The Dundee

Library welcomes teens with a space just for them for quiet study or collaborative work.

Informational programs on topics such as Social Security, Medicare, estate planning, history, genealogy, social media, and more, as well as cultural presentations and lectures, satisfy the lifelong learning needs of the adult population. Public computers and technology classes help residents pursue their education and gain and improve job skills. The Dundee Library offers Spanish language books, movies, and computer classes.

As a steward of learning and discovery, FRVPLD has branched out into offering more than books. Their "Library of Things" has items for check out that help you explore a new skill, have some fun, or simply try something before you buy it, such as a metal detector, virtual reality headsets, tons of craft supplies, WiFi hot spots and more.

Their website is considered a digital branch and offers 24/7 access to streaming and downloadable eBooks, music, comic books, videos, and movies as well as a collection of eResources where patrons can learn how to change spark plugs, crochet a blanket, sharpen their resume, find out who their distant Irish cousin was, or get a research paper proof-read.

Learn more about the library at [www.frvpld.info](http://www.frvpld.info) or by following them on Facebook, Instagram, Twitter, and YouTube.

# CUSD 300 Puts Children First

As the sixth largest school district in Illinois based on student enrollment, District 300 serves nearly 21,000 students, covering 118 square miles.

District 300's central mission is to provide engaging and inclusive educational experiences that empower and equip all students to discover, innovate, and succeed now and in the future. Superintendent Susan Harkin is dedicated to enhancing and developing innovative programs to address community needs and ensure the success of this mission. Since 2015, District 300 has implemented a tuition-free, full-day kindergarten program district wide, incorporated art and STEM labs into elementary schools, and

developed Pathway Programs such as advanced manufacturing, computer programming, electrical technology, entrepreneurship, STEM engineering, and welding technology that provide students with the opportunity to earn career credentials. On Aug. 23, 2022 the D300 Board of Education approved District 300's 2022-2027 Strategic Plan, which builds on existing strengths, addresses areas that must be improved and establishes a path for the schools and students to achieve their fullest potential. Community members can monitor the progress of the District 300 Strategic Plan at [www.d300.org/NewStrategicPlan](http://www.d300.org/NewStrategicPlan).

Last year, District 300 graduated

1,737 students who earned \$15.6 million in college scholarships; 446 students earned industry certifications, and through their Accelerate College Program, 37 District 300 students earned their associate degree from Elgin Community College completely tuition-free.

D300's financial planning and reporting have received numerous state and national awards. Notably, District 300 has maintained a balanced budget for the past several years and historically has one of the lowest tax rates among all K-12 school districts in Kane County and McHenry County.

For more information, visit [www.d300.org](http://www.d300.org).
